Private Streets:

Alderman Musich stated the first reading of Bill #48 was at the February 9, 2016 Board of Aldermen meeting. Mayor Furrer asked Alderman Musich to read the bill a second time. Alderman Musich read Bill #48 in it's entirety.

**Bill No. 48 -- An ordinance amending the code of ordinances with respect to acceptance of private streets for City maintenance.**

Alderman Gau explained at the last Public Works Meeting there was a 3-1 vote taken not to proceed with the ordinance to the Board of Alderman because it needed more work. Alderman Gau also stated that a revised version was drafted with input by himself, Mr. Jones and Public Works Director, Bryson Baker.

After some discussion, a motion was made by Alderman Musich to approve Bill #48 as read. Alderman Bersche seconded the motion. Mayor Furrer asked for a Roll Call Vote.

Alderman Baebler made a motion to continue discussion on Bill #48. Alderman Fribis seconded the motion. Mr. Jones clarified that the motion to continue discussion would supersede the prior motion to approve Bill #48. Mayor Furrer allowed discussion to continue without a vote.

Alderman Fribis asked Mr. Jones to clarify the difference between the Bill as read and the redefined Bill prepared for the meeting. Mr. Jones indicated primarily the changes were intended to facilitate implementation by staff.

Alderman Musich stated that he had significant concerns that the redefined version of Bill #48 would remove clear standards which would then open up the issue of accepting private streets to interpretation, inconsistent practices, and the potential for preferential treatment depending on the people involved.

Alderman Bersche made a motion to call the previous question and end discussion. Alderman Ernst seconded the motion.
