**Old Business**

**A. Update on electrical/traffic boxes along Lindbergh/Gravois/Watson;** Mr. Brown stated that he has been communicating with MoDOT, they have requested the following information, which we are currently gathering. The executive staff is open to the idea but would like some more information regarding the cities plan before proceeding with permits/agreements:

- Submit a sketch of the proposed ‘art’ work.
- Explain the art committee/vetting process you went through to select it.
- Explain what, if any, public/community outreach was involved to date and what is planned prior to installation/what feedback from the community have they received – supportive or not?

- Outline where you're proposing to place it. What type of materials are you proposing?
- Outline your maintenance plan.

I hope to have sketches of boxes within the next 60 days to submit back to committee for review. The theme selected is "Nature" (Sunset's, Hills, lakes, trees, flowers, etc).

**B. Update on Makers Market**

Date is April 30, 2022

Mr. Brown reported:

Artists have been selected and promotion has started

We are going to rework the layout a bit and bring beer and water sales in house

Moving the band to a smaller stage on the tennis courts to with beer garden this will open up additional parking

Right now, the only sponsor we have is Foundation for Sunset Hills.

**C. Sculpture on the Move**

Mr. Brown explained that our draft pick was #18, but we still were able to select our #1 pick, however that piece was already sold, so we had to go with our #14 pick

1. Brigit Ciskowski, Millicent

Mr. Brown reported that Artist and city has started communication, hope to have signed contract within 30 days, time of delivery will be last week of April/1<sup>st</sup> week of May.

The second sculpture that we discussed Magnify #1 is no longer available and after conversations with the Park Board, we thought it might be best to hold off on Lynstone Park until 2023 because of proposed grant request. Maybe unveil at Makers Market.
